All participants are certifying that the ideas and concepts outlined in the submissions to IdeaWF are the original work of the participants. If intellectual property is involved, participants have obtained the legal rights to use (or have identified plans to obtain these rights) and there are no legal impediments to launching the business.

Waivers and Releases:

Participants agree to waive all claims against IdeaWF, any and all judges, reviewers, mentors, other sponsors, and/or participants in the competition for any actions that occur as part of, arise out of, or are in any way related to participation in this competition. Participants understand that no confidentiality of any information is provided and that protection of highly confidential trade secret information and other intellectual property is the responsibility of team members. IdeaWF will not require competition judges, mentors, or reviewers in the competition to sign nondisclosure documents.

We have read the IdeaWF Guidelines and confirm that the business is eligible. Further, we confirm that we intend to launch this business if we are named a winner of the contest and agree to headquarter in the Wichita Falls MSA for at least 3 years. We also agree that IdeaWF may publicly recognize the company as a contest participant and, if selected as a Finalist, will provide information about the company for public release. As part of the judging process we agree that IdeaWF may check our credit and financial background.

Note: All participants or owners with greater than a 20% stake in the company must sign below.
